If you have a civil legal matter governed by D.C. or federal law, you can meet in private with an attorney to discuss your legal problem. Although the attorney will not be assigned to represent you, you may receive important information about your legal situation. If you are eligible, you may be referred to one of the legal or social services agencies in the District to provide you with additional assistance and/or representation. However, this Clinic does not guarantee that you will obtain representation through one of the referred agencies.

**Please bring all of the documents concerning your legal problem to the Clinic.**
